JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

From William Rich, Esq., dated Washington, June 9, 1845, acknowledging the receipt of his notice of election as a Correspondent.

From Dr. Julius S. Taylor, of Carrollton, Ohio, dated April 20th, 1845, in reference to his donation of fossils this evening, with some accompanying remarks on the geology of the district of country from which they were derived.

Mr. Cassin offered the following, which was adopted:

Resolved, That the thanks of this Society be tendered to Dr. Julius S. Taylor, of Carrollton, Ohio, for his valuable and interesting donation of fossils, illustrative of the geology of the county of Montgomery, in that State.

Meeting for Business, July 29th, 1845.

VICE PRESIDENT MORTON in the Chair.

On motion of Dr. Bridges, it was

Resolved, That the Curators be authorized to receive on deposit in the Hall of the Academy, Mr. Richard C. Taylor's collection of European fossils, and that a location therein be provided for them.

The Chairman announced to the Society the painful intelligence of the death of our estimable fellow member, Mr. Thomas Ryan, which took place in this city yesterday morning. Mr. Ryan has contributed largely to the collections of this Institution, in various departments of Natural Science, and his demise will be regarded by his fellow members as a public and a private loss.

Joseph Leidy, M. D., of Philadelphia, was elected a member of the Institution, and

Professor John Müller, of Berlin, and William Tuomey, Esq., of Virginia, were elected Correspondents of the same
